"Chee-Yun met all the technical demands of this music and then some. At once playful and passionate, her bow was consistently precise even at NASCAR speed."

The Washington Post

"Chee-Yun, a violinist with a rich, deep-hued tone and a good sense of how to make the showy solo line – including the lengthy cadenza, a fully packed survey of Romantic virtuoso moves – into poetry rather than mere display."

Portland Press Herald

"Grgic's playing combined excellent technique with an extensive range of emotional expression. He brought expansive warmth and delicate elegance to the Baroque pieces."

San Francisco Classical Voice

"Mak Grgic is a beautiful musician."
